### **About Inspiration Healthcare**

Inspiration Healthcare (AIM: IHC) is a global supplier of medical technology for critical care, operating theatre and other medical applications. The Company provides high quality innovative products to patients and caregivers around the world that help to improve patient outcomes and efficiencies of healthcare organisations with patient focused customer service and technical support.

The Company's own brand of critical care solutions span non-invasive respiratory management, thermoregulation and diagnostics, and patient warming for newborns through to adults in intensive care and the operating theatre, whilst the distribution business supplies solutions to support specialised surgical procedures and infusion therapies.

Present in over 50 countries worldwide, Inspiration Healthcare's success has been built on continuous innovation, excellent customer service and an inherent

commitment to improving the quality of life of patients, working in close collaboration with key opinion leaders and stakeholders in the clinical and medical community across the globe.
